Julie Andrews

The Man Who Loved Women

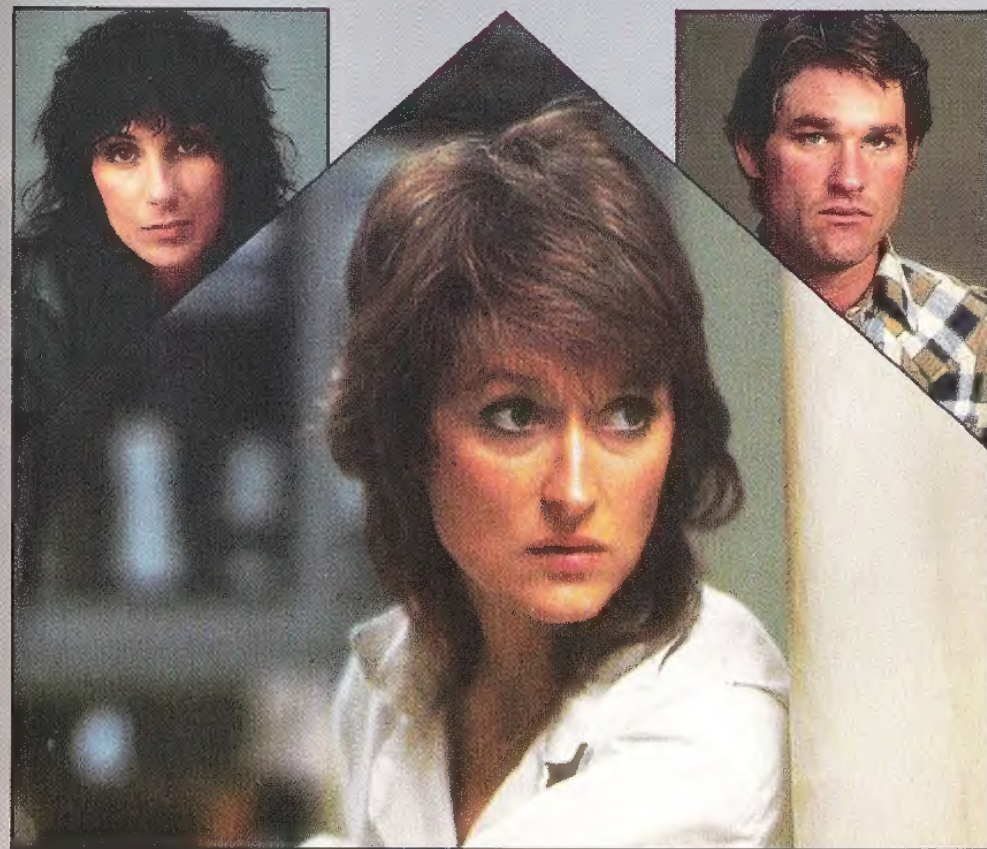

The love and laughter of this comedy begin when a tireless lover who could never resist a pretty pair of legs is laid to rest. Therapist Julie Andrews recounts her deceased patient's long list of cooperative conquests. Burt Reynolds, we discover, truly loved 'em, every one, including stunning Kim Basinger and Marilu Henner ("Taxi"). Directed by Blake Edwards. *Adult situations, language; nudity.* (R-1:50) **Dec. 15,19,23,27,31** (CC)

SILKWOOD

Cher

When Karen Silkwood got mad enough, she'd fight—no matter what it cost. And what she uncovered at the nuclear processing plant where she worked made her so mad that she threatened to expose her powerful bosses. Oscar nominations went to Meryl Streep and Cher for their performances in this true story, and to director Mike Nichols. *Adult language, mild violence, brief nudity.* (R-2:11) **Dec. 2,8,12,17,21** (CC)
